Keep on Praying

If goldfish pray, this is the time. If not, let's hope luck is in their fishbowl. It is said that we all live in a fishbowl. Access to personal information is as simple as pushing a button. We read of crime each day; it's not surprising that we feel vulnerable. Luck is seldom an effective deterrent. Are we helpless against evil that is lurking... waiting to pounce?

Help is only a prayer away. As you worship God at His House this week, ask Him to surround you with his mercy and strengthen you with His love. You need not be afraid. Trust God's will...and keep on praying.
