

AT FIRST BANK OF COASTAL GEORGIA,
THE AFTERNOON RACE TO THE BANK IS OVER.
You're Clearly The Winner

First Bank of Coastal Georgia is pleased to announce that we are once again leading the way in banking service and convenience with the demise of a 2 p.m. daily cutoff for processing of your banking items. **Now, we offer same-day processing of your deposits and checks until the close of banking hours, Monday through Friday.**

The daily race to the bank is over.

At First Bank of Coastal Georgia, we realize that in mid-afternoon, chances are you need to be in your place of business or going about the daily activities of life. That's why we implemented the technologies to give you same-day processing throughout the week. After all, doesn't better banking begin with making life a little easier for you?
