The Covington News

Painful Hips and Knees?

If life is becoming a challenge because of chronic pain in your hips or knees, your doctor may recommend Total Joint Replacement. To help you with surgery and recovery, we offer a free educational program-Joint Journey-designed to give you a complete understanding of every step of the process.

Joint Journey Class

Tuesday, September 15 • 2 pm-4 pm FREE

at *Merryvale Assisted Living*

11980 Highway 143 N • Oxford, Ga

Celebrate National Assisted Living Week!
