

Dusty's Chicken

Several pounds of chicken drumettes
1 cup Worcestershire sauce
1 cup real lemon juice
1 tablespoon salt
¼ cup vegetable oil

Mix this all together thoroughly and pour over the chicken. Marinate overnight, turning several times, even if you have to set the alarm and get out of bed. It will be worth it, I promise.

Tuna Helper on Life Support

1 box Creamy Pasta Alfredo Tuna Helper
Steamed broccoli or asparagus
Potato chips
Mozzarella cheese

A box of Tuna Helper, the Creamy Pasta Alfredo cooked as directed. Add steamed broccoli or asparagus cuts for zest, culture and class. Add lots of mozzarella. When finished, top with crushed potato chips for that blue collar, I'm-not-above-this crunch.
