

THE MANTECA BULLETIN

Congratulates the South San Joaquin Irrigation District on their first 100 years.

100

YOU HAVE BEEN AROUND
AS LONG AS WE HAVE...

The South San Joaquin Irrigation District set the foundation of The Manteca Bulletin, formerly known as the Irrigation Bulletin. We were created by two men, F.L. Wurster and A.L. Cowell. Today we celebrate SSJID's legacy and the beginning of their next century of success.

Happy Birthday!

We wish you another 100 years.
