who saved six games last season, will be back in the bullpen once again this season.

CATCHERS

The Warriors will have three catchers on the roster this season that should all see time behind the plate. Senior Chase Perez returns after appearing in 26 games last season. Junior Seth Hudson will be an impact player after missing last season with a broken leg. Hudson came to the Warriors after earning All-American honors at Gavilan College in 2007. Senior Joey Pilatti, a transfer from Division II Missouri Western will also be in the mix and play some first base.

FIRST BASE

In the mix at first will be two returning players and one newcomer. Sophomore Boomer Donnell is the lone returning "first baseman" from the 2008 squad. Last season he saw action in 28 games, starting 14 of them. Leandro Dottavio has converted from outfield to first base this season and should see significant time at the position. Dottavio hit .298 last season as a junior. Pilatti will also have an opportunity to play first base to go along with his catching duties.

SECOND BASE

With last year's starter David Contreras making the move to the outfield, the position was left open for some newcomers. Junior Alex Zanini, a transfer from Delta College, will make a big impact at the position.

SHORTSTOP

Senior Jeff Hughes returns for this season at the shortstop position. Hughes saw time in 46 games (starting 27) last season and started most of the games down the stretch for the Warriors. Also

at shortstop, junior Doug Porras should see some time. Porras is a transfer from West Valley College where he was an All-American in 2007. Porras could also see a significant amount of time as the team's designated hitter.

THIRD BASE

Oketani was a CCAA Honorable Mention pick a year ago and will see the majority of time at third base once again this season. Oketani hit .290 in 2008 and drove in 30 runs. Senior Tomas Donnelly will move from the outfield to third base this season. Donnelly appeared in 23 games last season all in the outfield. Senior Josh Lewis will also see some time at third base.

OUTFIELD

The outfield is loaded with both talent and depth. Loretelli, a preseason All-American, will anchor the outfield and move from leftfield to centerfield. Loretelli led the Warriors in most offensive statistics last season as he hit .370, with 28 doubles and 12 homeruns.

Senior Jake Thelen will see significant time in right field once again for the Warriors. Thelen hit .349 and led the team with 15 stolen bases last season. Zach Cadet, a transfer from Chabot College, will also see time in the outfield. Cadet was an All-Coast Conference selection in 2008.

Sophomore David Contreras makes the move from second base to the outfield this season. Contreras was an instrumental part in the Warriors postseason run last season, hitting .311 and starting in all but two games as a true freshman. Casey Filkins missed most of last season with a knee injury, but he will be back this season and competing for playing time in the corner outfield spots. Dottavio and Donnelly could also see time in the outfield this season.
